Buenos Aires, August 26th, 2019

Dear Giancarlo Santilli,

It is my pleasure to inform you that your abstract for the paper *UnB On-Board Computer Prototype for CubeSats* has been accepted, and you are then formally invited to the '2nd International Academy of Astronautics Latin American Symposium on Small Satellites' to present your work.

Please note that the organization of the event will not cover any costs of travel or expenses.

Sincerely,

Livio Gratton
Chairman

Professor Doutor Giancarlo Santilli
